

[**Product Name**] Capsicum Extract

[**Synonym**] Capsicum Annum Extract

[**Source**] *Capsicum annum L.*

[**Used Part**] Fruit

[**Specification**] 10:1, 12:1, 20:1; 90%, 95%, 96%, 97%, 98%, 99% Capsaicin

[**Detection Method**] HPLC / UV / TLC.

[**Characteristics**] Light red or white powder.

[**Package**]

25 kgs/drum. Packed in paper-drums and two plastic-bags inside. Or according to customer's requirements.

[**Storage Situation**]

Stored in a cool and dry well-closed container, keep away from moisture and strong light / heat.

[**Shelf Life**]

Two Years under well storage situation; Tightly sealed in a clean, cool, dry area. Keep away from direct light.

[**Function**]

1. Broad-spectrum antimicrobial activity: it has a good effect on the infectious and malignant micro-organisms. Olive leaf extract provides a battle with the microbes safe and effective treatment. The study also proved that the extract of the human body only attack pathogens and symbiotic intestinal bacteria harmless, which is its another advantage beyond the man-made antibiotic.

2. Strengthen the immune system: Some physicians have successfully used olive leaf

extract medically unexplained illnesses, such as chronic fatigue syndrome and fibromyalgia treatment of patients. This may be the result of direct stimulation of the immune system.

3. Cardiovascular disease: olive leaf extract can reduce arterial discomfort caused by inadequate flow, reduce high blood pressure and inhibition of oxidation of cholesterol.
